SEA BREEZE ESTATE

GRACE BAY, TURKS AND CAICOS

Sea Breeze Estate is a marvelous beachfront residence perched alongside Turks and Caicos' most celebrated sands from Grace Bay to the Leeward canal. Perched on an astounding estate with gated entry, this property offers otherworldly serenity and elegance, incorporating a private stretch of white sand beach.

Sea Breeze Estate presents a delectable marriage of high culture glamor and seaside romanticism. Expansive arched French doors look unto an immaculate stone veranda flush with neoclassical accents. Double-height ceilings display rustic exposed beams, the sitting room's vertical space garnished with an exquisite chandelier. Brick walls are treated with a dreamy plaster finish, adding depth and texture perfectly outfitted with a superb selection of dainty, timelessly elegant modern furnishings. Sconce lighting adds an aristocratic flair to the interior's insatiable breeziness. A well-equipped Tuscan-style kitchen features a wine cellar, top-of-the-line appliances, and luxuriant granite surfaces, enhanced by an additional state-of-the-art chef's preparation kitchen, thoughtfully designed to accommodate kosher requirements and private staff operations. The home's game room is a surefire hit, with the little ones outfitted with cutting-edge entertainment consoles. Eight outstanding ensuite bedrooms are perfected in beach-chic luxury.

A regal high-ceilinged veranda offers an outstanding living space perpetually wafted by balmy trade winds and tropical fragrance. A focal 50-foot heated swimming pool and Jacuzzi are embraced with alluring loungers, while modern lighting creates a magical beachside nocturnal ambiance. The showstopping alfresco space delivers uninterrupted panoramas of the sea horizon, crafting an atmosphere of pure coastal grandeur.

TURKS AND CAICOS

GRACE BAY

Turks and Caicos are a British Overseas
Territory made up of eight major islands and
dozens of smaller cays in the tropical Atlantic,
southeast of the Bahamas. Known for its
turquoise waters and powder-soft sand, the
archipelago is home to some of the best
beaches in the world. On
Providenciales—locally known as Provo—you'll
find Grace Bay Beach, upscale restaurants, and
luxury boutiques. At the same time, Grand Turk
offers world-class wall diving and glimpses into
the island's colonial past.
