VILLA AQUA VERDE

LEEWARD, TURKS AND CAICOS

Villa Aqua Verde is a glorious beachside residence brimming with breezy Caribbean charm. Conveniently perched on Grace Bay, this estate boasts some of the Island's most coveted stretches of coastline with 140 feet of beach frontage and four acres of terrain. This majestic tropical paradise is moments away from the Turks and Caicos' most acclaimed fine dining experiences.

The interiors present the ultimate modernist beach home with a stunning reconciliation of West Indies exoticism with minimalist chic sensibilities. Tapered ceilings in the main living space borrow from traditional Island architecture, enhancing a delectable sense of verticality and airiness. Pristine white shiplap offers the ultimate canvas for a smattering of gorgeous design elements in the free-flowing great room. Oversized windows imbue the interiors with windswept Caribbean romanticism, the technicolor tropics, and the azure sea blending gloriously with the radiant monochrome interiors. Wide paneled white oak flooring melds gracefully with the glossy, streamlined surfaces of the ultra-modern kitchen, a glorious four-seat marble island presenting an excellent spot for casual conversating and entertaining. Three sumptuous bedrooms accommodate six guests with the utmost comfort and discretion.

The exteriors curate a magical tropical beach paradise with private sands, an elegant heated infinity pool, and an expansive wood deck offering plentiful covered and uncovered space. An outdoor fire pit and alfresco dining arrangements set the scene for memorable nights engrossed in fine conversation serenaded by the soothing surf of the sea. A Turks and Caicos luxury vacation home beyond reproach, Villa Aqua Verda is known to dazzle far and wide.

TURKS AND CAICOS

LEEWARD

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
