GRACE BAY, TURKS AND CAICOS

Villa Awa is an extraordinary contemporary estate overlooking the famed sands of Grace Bay. Commanding some of Turks and Caicos' most enchanting stretches of coastline, this residence fuses natural beauty with exceptional modern style. A true stand-out property, Awa is conveniently perched seven miles from Providenciales international airport, allowing guests to jump-start their dream vacations immediately upon landing.

A master of impressions, guests enter the gated residence via a shallow walkway, navigating past a koi pond. This posh two-level Villa features stunning common areas dazzling with ultra-chic post-modern refinement. Sleek vertices and soaring double-height ceilings instill an exceptional sense of grandeur and vertical space, indulged with artful mobile-styled lanterns above the dining table. A serene palette of white and sand-toned native stone curate an exceptionally sophisticated ambiance, grounded by ultra-plush low-profile seating arrangements. Scintillating silver and reflective accents impart a touch of high fashion glamor. Natural light animates the shimmering surfaces via gargantuan retractable glass walls, endowing Awa with an extraordinary sense of permeability and oneness with the exteriors. Six exceptional bedrooms are perfected in sophisticated minimalism, accomodating twelve guests in utmost comfort, discretion, and style. The focal master suite flaunts a private terrace commanding the ocean vista, while a bunkroom with a trundle bed keeps lodging options versatile for traveling families.
