BLUE MOUNTAIN, TURKS AND CAICOS

Villa Cosmo is a luxurious oasis located in the prestigious Blue Mountain area of Turks and Caicos, part of the exclusive Skyline Villas Resort. This boutique resort, with only six designer villas, offers both privacy and sophistication while maintaining close proximity to Providenciales' best attractions. Villa Cosmo's prime location makes it a central yet secluded destination, ideal for those seeking a refined Caribbean escape that blends upscale service, breathtaking views, and unique amenities.

Inside, Villa Cosmo reflects modern elegance with exquisite furnishings by Roche Bobois, enhancing the villa's luxurious ambiance. The open-plan living area features large sliding doors that reveal panoramic ocean vistas, flooding the space with natural light. Decorated in soft tones that complement the island's natural beauty, the living room is equipped with high-end entertainment systems, ensuring comfort and convenience. Adjacent to the living area, the dining space seats six guests and flows seamlessly into a fully equipped kitchen with premium appliances, allowing for easy meal preparation. The villa accommodates up to six guests in three opulent bedrooms, each with plush bedding and spacious closets. An additional room with a sofa bed is available for larger groups. A private fitness room enhances the experience, allowing guests to maintain their wellness routines amid this luxury setting.

Outside, Villa Cosmo embodies the essence of Caribbean luxury. A sparkling pool stretches out toward the turquoise waters, while the alfresco dining area, equipped with an outdoor sound system, creates an ideal setting for outdoor relaxation and entertainment. The resort's exclusive beach service offers access to secluded beaches nearby, where guests can enjoy sunbathing spots prepared in advance.
