VILLA COSMO

BLUE MOUNTAIN, TURKS AND CAICOS

Villa Cosmo is a luxurious oasis located in the prestigious Blue Mountain area of Turks and Caicos, part of the exclusive Skyline Villas Resort. This boutique resort, with only six designer villas, offers both privacy and sophistication while maintaining close proximity to Providenciales' best attractions. Villa Cosmo's prime location makes it a central yet secluded destination, ideal for those seeking a refined Caribbean escape that blends upscale service, breathtaking views, and unique amenities. Positioned just a short drive from the airport, supermarkets, and pristine beaches, this luxury villa rental in Turks and Caicos is an unparalleled retreat for discerning travelers.

Inside, Villa Cosmo reflects modern elegance with exquisite furnishings by Roche Bobois, enhancing the villa's luxurious ambiance. The open-plan living area features large sliding doors that reveal panoramic ocean vistas, flooding the space with natural light. Decorated in soft tones that complement the island's natural beauty, the living room is equipped with high-end entertainment systems, ensuring comfort and convenience. Adjacent to the living area, the dining space seats six guests and flows seamlessly into a fully equipped kitchen with premium appliances, allowing for easy meal preparation. The villa accommodates up to six guests in three opulent bedrooms, each with plush bedding and spacious closets. An additional room with a sofa bed is available for larger groups. A private fitness room enhances the experience, allowing guests to maintain their wellness routines amid this luxury setting.

Outside, Villa Cosmo embodies the essence of Caribbean luxury. A sparkling pool stretches out toward the turquoise waters, while the alfresco dining area, equipped with an outdoor sound system, creates an ideal setting for outdoor relaxation and entertainment. The resort's exclusive beach service offers access to secluded beaches nearby, where guests can enjoy sunbathing spots prepared in advance. Enhanced by Tesla's cutting-edge solar technology, Villa Cosmo combines sustainable living with elegant design, establishing a new standard for luxury villa rentals in the Caribbean.

TURKS AND CAICOS

BLUE MOUNTAIN

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
