VILLA ESMERALDA

TAYLOR BAY, TURKS AND CAICOS

Villa Esmeralda is a private island estate on the western tip of the Turks and Caicos Islands. This villa enjoys 30,000 square feet of tropical beauty amidst the Chalk Sound National Park and Frenchman's Creek Nature Reserve, as well as direct access to kayaking, paddle boarding, and hidden beaches. This man-made island stretches across two acres in the exclusive, scenic Silly Creek region. Turquoise water and breathtaking views surround the island, which is accessed via a remote-controlled swing bridge and a Turkish marble driveway.

Vaulted ceilings, hand-painted frescoes, and tall pillars lend an elegant, European air to the ample interior of the villa. The villa has a 6,000 bottle wine cellar, a 10-seat movie theatre, and an elevated cocktail lounge. The three-story library offers mahogany paneling and a hardwood helical staircase, which leads up to a picturesque workspace and sitting area. A Crestron system automates virtually everything on the island, including the lighting, air-conditioning, and audio. The kitchen is fully equipped with stainless steel appliances and expansive countertops where the islandâ€™s chef can prepare grand feasts. Eight bedrooms are spread across four buildings on the island.

There are two infinity pools with waterfalls and spas overlooking the sea. Loungers, shaded sunchairs, and umbrellas furnish the sundecks, and a stainless steel grill and al fresco dining sit beneath the barbecue pavilion. Villaâ€™s interior lagoon offers a private, sheltered beach with a swimming area. Guests can spend sunny afternoons on the full size tennis and sand volleyball courts, or workout in the state-of-the-art fitness center.
