VILLA HAWKSBILL

LEEWARD, TURKS AND CAICOS

Villa Hawksbill is an exquisite beachfront residence perched along some of Turks and Caicos' most gorgeous stretches of coastline, Grace Bay. Spanning over five acres of lush tropical terrain, this estate is lauded for its otherworldly serenity and natural beauty. The ultimate tropical sanctuary, Hawksbill posits a bold indoor-outdoor luxury living philosophy comprising multiple pavilions across its idyllic property.

Contemporary chic refinement meets Caribbean romanticism in aesthetically immaculate interiors. Soaring vaulted exposed beam ceilings support an exceptional sense of verticality above expertly appointed modern furnishings. A trendy, urbane yet bohemian seating arrangement flaunts a delectable palette of grey and peach, highlights of blue velour adding to the gorgeous living space. Artful seaswept artifacts garnish the free-flowing common space, effortlessly combining the living, dining, and alfresco deck. Indoor and outdoor space meld seamlessly together, conjoined by luxuriant travertine tile flooring. A cantilevered walnut staircase projects from a native stone wall en route to the home's dazzling master suite with fully pocketing doors and stunning ocean views at every turn. Eight sumptuous bedrooms are smattered between the primary residence and auxiliary pavilions, accommodating sixteen guests in utmost comfort, discretion, and luxury. Varied in size and configuration, Hawksbill is ideally suited to accommodate traveling families.

Gorgeous resort-style exteriors comprise the tropical oasis guests have dreamt of, with private pathways and an innovative custom infinity pool and spa navigating between buildings. Perfectly outfitted for all-day recreation, guests may select the serenity of the wooden clad den at the head of the lap pool or the poolside bliss of a frosty cocktail. A state-of-the-art Gym and all-weather Tennis court near the entrance to the property round off a fantastically autonomous luxury vacation estate.

TURKS AND CAICOS

LEEWARD

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
