VILLA JUPITER

BLUE MOUNTAIN, TURKS AND CAICOS

Villa Jupiter is an exquisite coastal oasis set along the radiant shores of the Island of Providenciales, Turks and Caicos, where turquoise waters, velvet-white sands, and a soft symphony of trade winds define an atmosphere of rare serenity. Surrounded by luxuriant tropical foliage and the island's signature crystalline light, the residence embodies an elevated expression of joy and sophistication. Its privileged location places it just minutes from the beach, 10 minutes from the airport, and no more than 15 minutes from groceries, restaurants, and boutiques, ensuring effortless access to the island's most desirable experiences. A stylish restaurant and bar at the Rock House Resort lies merely a three-minute walk away, enhancing the allure of refined coastal living.

Inside, the open-plan living area unfolds as a curated world of luxurious living, shaped by expressive design and a subtly whimsical spirit. The space is adorned with curated contemporary furnishings of the famous brand Roche Bobois, including a striking grasshopper-green sofa that introduces a mood of warmth and delight. With its ability to open fully on both sides, this space dissolves the boundary between interior and exterior, allowing island breezes and golden daylight to animate every moment. Adjacent lies the villa's Italian-crafted kitchen, an artisanal creation defined by noble finishes, exquisite craftsmanship, and high-end appliances sourced from distinguished labels. Designed for both beauty and performance, it elevates culinary rituals with an unmistakably refined touch. The sense of curated luxury continues in the three master bedrooms, each individually styled and graced with colorful, artful bathrooms, sumptuous bedding, generous closets, and refined workspaces, merging vibrant aesthetics with absolute comfort.

Outdoors, Villa Jupiter reveals its most enchanting character. Terraces are adorned with sculptural Bombom-style seating that evokes the playful elegance of contemporary art, transforming lounging into a sensorial experience. Lush gardens, shifting tropical hues, and tranquil corners form a landscape crafted for repose and indulgence, where mornings feel luminous and evenings arrive with soft, cinematic beauty. As part of the exclusive Skyline Villas Boutique Resort, comprised of six villas with 24/7 security, a reception, and a dedicated Concierge Manager who makes dreams come true, the property also offers the possibility of full estate rentals for large groups. Villa Jupiter stands as an extraordinary sanctuary where creativity, craftsmanship, and natural splendor unite in perfect harmony.
