## VILLA LUNA

### BLUE MOUNTAIN, TURKS AND CAICOS

Villa Luna is an extraordinary luxury villa rental located within the exclusive Skyline Villas Resort in the prestigious Blue Mountain area of Turks and Caicos. This boutique resort comprises only six elegant villas, each featuring exquisite modern design and exceptional privacy. Centrally situated on Providenciales, the villa is just a ten-minute drive from the airport and within 15 minutes of the island's top beaches, upscale dining, bars, shops, casinos, and the golf club. With access to secluded beaches and sweeping ocean views, Villa Luna provides the ultimate private escape while being perfectly positioned to enjoy all that Turks and Caicos has to offer.

The interiors of Villa Luna radiate sophistication, designed with the highest quality furnishings by world-renowned Roche Bobois. Sunlight fills the spacious living area through floor-to-ceiling windows, framing expansive views of the Caribbean Sea. The decor, in calming hues of gray, blue, and green, reflects the tranquil island ambiance. Adjacent to the living area, the dining room seats eight comfortably, seamlessly flowing into a fully equipped kitchen featuring premium appliances and a stylish breakfast bar. Each of the four bedrooms is thoughtfully designed with large closets and plush bedding, while two rooms include dedicated workspaces. Enhanced with cutting-edge security, including round-the-clock surveillance and a state-of-the-art alarm system, the villa prioritizes guest peace of mind throughout their stay.

Outside, Villa Luna embodies the luxurious Caribbean lifestyle, featuring a stunning pool surrounded by loungers and seating areas. Beach days are made effortless with exclusive beach service, which transports guests to their own prepared sunbathing spot nearby. Powered by Tesla's innovative solar technology, Villa Luna is a sustainable haven that harmonizes luxury with eco-conscious living, creating a memorable experience in the heart of the Turks and Caicos.

BLUE MOUNTAIN, TURKS AND CAICOS

# TURKS AND CAICOS

## BLUE MOUNTAIN

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
