Villa Pearl West is an outstanding beachfront estate comprising the famed Pearls of Long Bay luxury complex. Prestigiously located along some of Provo's most stunning shorelines at Long Bay Beach, this luxury villa in Turks and Caicos offers a sublime seaswept sanctuary of rejuvenation. Otherworldly serenity is offered moments away from world-class golf facilities and pristine white sand beaches.

Unique diamond-shaped interiors are embraced by oversized floor-to-ceiling windows, inundating the pristine white interiors with the unobstructed electric turquoise horizon. A scintillating silver chandelier dangles from striking coffered ceilings before aristocratic console tables and plush upholstery. ## TURKS AND CAICOS

### LONG BAY

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
