VILLA SENTOSA

LEEWARD, TURKS AND CAICOS

Villa Sentosa is an exemplary beachfront estate perched along with some Turks and Caicos' most enchanting coastlines. Perched on nearly two acres of exquisite sands, this property presents the ultimate tropical sanctuary, promising otherworldly serenity and discretion.

Gorgeous interiors present the pinnacle of contemporary beach-chic refinement. Soaring double-height walls, clerestory windows, and expansive glass walls inundate the pure white interiors with majestic sea views. Crisp white interiors teem with high culture elegance, a subtle smattering of wood accents imparting a touch of warmth to the cool and spacious interiors. Subtle off-cream tones and native stone accent walls indulge in a dreamy palette matching the ethereal sands a few barefoot steps away. Contemporary dangling lanterns abound with high fashion panache making maximum use of the home's verticality. Mid-century dining chairs offer a beach-chic twist with rattan seats, comprising an exceptionally harmonious and aesthetically immaculate living and dining space. This lavish estate boasts eight sumptuous ensuite bedrooms outfitted with plush King and Queen-sized bedding.

Exquisite resort-like exteriors are fully equipped for all-day entertaining, between an expansive pool deck, cabana, and sunbathing platform. Soaring verandas hover above alluring seating arrangements, towering palms throwing shade on the crystalline waters of the infinity pool and hot tub.
