VILLA SKYLINE

BLUE MOUNTAIN, TURKS AND CAICOS

Villa Skyline is a stunning retreat within the prestigious Blue Mountain enclave of Turks and Caicos, offering discerning travelers a sanctuary of luxury and seclusion. Nestled within a refined boutique resort comprised of six uniquely designed villas, Villa Skyline promises breathtaking ocean panoramas and is just steps away from the island's pristine beaches. This Turks and Caicos luxury vacation rental embodies sophistication, blending seamlessly with the elegant ambiance of its resort setting, complete with a welcoming reception area.

Inside, Villa Skyline showcases contemporary interiors that balance airy spaciousness with a refined aesthetic, featuring exquisite furnishings by renowned brand Roche Bobois. Natural elements and soft, neutral tones create a serene atmosphere, accentuating the spacious layout. The living room, with its expansive sliding doors, opens to sweeping sea views, inviting moments of relaxation and indulgence. Adjacent to this, a refined dining space complements a fully-equipped kitchen outfitted with top-tier appliances and a dedicated wine storage unit. The villa's five spacious ensuite bedrooms, designed with chic decor and sumptuous bedding, accommodate up to ten guests in unmatched comfort, while an exclusive fitness room ensures wellness remains a priority throughout the stay.

Outside, Villa Skyline's allure continues with an elegant pool area lined with luxurious loungers, creating a serene oasis for soaking up the coastal views. The alfresco dining area is ideal for open-air meals, while nearby soft-sand beaches lie just a short stroll away. Guests enjoy access to a secluded beach via dedicated service, with a sunbathing spot thoughtfully arranged. For dining or additional activities, the resort's concierge team stands ready to assist from its stylish reception, and within a three-minute walk, guests can reach a chic restaurant and bar. Embracing eco-conscious luxury, Villa Skyline is powered by Tesla's latest solar technology, ensuring a sustainable escape. Security remains paramount, and 24-hour surveillance and an advanced alarm system provide peace of mind in this exclusive island haven.

TURKS AND CAICOS

BLUE MOUNTAIN

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
