VILLA SKYLINE

BLUE MOUNTAIN, TURKS AND CAICOS

Villa Skyline is an exceptional contemporary residence brimming with coastal glamor. Set amongst the coveted hilltops of Blue Mountain, this residence is lauded for its breathless vistas incorporating the shimmering expanse of the sea to the lush forested surroundings of Providenciales.

Interiors present a delightful marriage of contemporary chic refinement and playful seaside romanticism. The home abounds with an extraordinary sense of permeability and airiness, enhancing a feeling of flow between the expansive outdoor deck and the free-flowing intuitive floorplan. A dynamic great room interfaces seamlessly with far-reaching views via retractable glass walls. Pure white interiors provide the ultimate canvas for a smattering of whimsical paintings complementing the exteriors' gorgeous electric turquoise and green hues. Flaunting 4,000 sq. ft of unadulterated luxury living, Skyline accommodates eight guests between three lavish bedrooms. Each suite is a sanctuary of rejuvenation unto itself, exhibiting generous proportions, oversized windows, and quick terrace access unto vertiginous Island views. The ground floor offers separate maid's quarters assuring impeccable round-the-clock service.

Elevating nocturnal entertaining to all new heights, Villa Skyline undoubtedly offers the most spectacular Island venue for late-night cocktails. Striking exteriors feature over 6000 sq. ft of outside terraces set over four floors. This glamorous trophy residence flaunts curved platforms and glass railings jutting out majestically over the sea expanse. Guests may indulge in a lavish swimming pool offering the ultimate respite from the afternoon heat.

TURKS AND CAICOS

BLUE MOUNTAIN

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
