VILLA SOLARA

TURTLE TAIL, TURKS AND CAICOS

Villa Solara is a luxury beachfront estate, nestled along the pristine Turtle Tail coastline in Turks and Caicos. This exquisite coastal oasis blends modern eco□sustainability and solar□powered design with natural stone and timber elements, offering unparalleled luxury in the market. With sweeping ocean views and a private, heated infinity pool, this retreat promises privacy, wellness, and a rare opportunity to reconnect with the sea in complete comfort.

The interior design emphasizes seamless living, where open-plan spaces flow effortlessly and bespoke furnishings complement natural materials. The living room is centered around a large TV and soft seating, ideal for relaxed gatherings after sunset. Adjoining is a chef's kitchen and formal dining area, fully equipped for culinary artistry, paired with a gentleman's bar for convivial evenings. Villa Solara offers seven ensuite bedrooms—five in the main house and two in the separate guest house—each appointed with luxurious linens, drop-down TVs, and modern bathrooms. Sleeping configurations include king beds in principal suites, complemented by ample family-style arrangements. Among its luxury amenities are an office and gym with treadmill, bike and free weights.

Outside, the grounds span a lush beachfront platform framed by a zen garden and yoga deck, an oasis for mindfulness and movement. Amenities include a heated pool with adjacent infinity hot tub, poolside bathroom, beach deck with four kayaks and an alfresco dining area complete with grill and outdoor bar by firepit. A rooftop movie theater and additional fire pit offer elevated entertainment under the stars, while sun□bleached sands and gentle surf evoke a sense of serene escape from reality.
