VILLA SOLE E MARE

LEEWARD, TURKS AND CAICOS

Villa Sole E Mare is a captivating oceanfront sanctuary set upon the powder-soft sands of Grace Bay, Turks and Caicos—one of the most illustrious coastlines in the Caribbean. This architectural marvel evokes the glamour of mid-century Miami modernism, reimagined through a lens of contemporary elegance and island sophistication. Bathed in sunlight and embraced by crystalline waters, the estate celebrates the art of coastal living at its most refined. With 200 feet of immaculate private beachfront, it offers unrivaled serenity, prestige, and panoramic views that dissolve the boundary between sea and sky, an idyllic canvas for a life of effortless grandeur.

Inside, this Turks and Caicos luxury vacation rental reveals interiors of striking refinement and serene luminosity. The expansive great room, framed by floor-to-ceiling glass, glows with natural light and artistic vitality. A palette of gleaming whites, deep woods, and bold geometric accents establishes an aesthetic both polished and inviting. The open-plan layout flows into an elegant dining area and a chef-appointed kitchen, complete with cutting-edge appliances, sculptural lighting, and sleek stone surfaces. Ten individually curated bedroom suites, each a private work of art accommodate up to 20 guests, combining bespoke craftsmanship, sumptuous linens, and tranquil ocean tones that transform rest into ritual.

Outdoors, the villa's seaside splendor unfolds in full measure. A 100-foot infinity pool appears to merge seamlessly with the turquoise horizon, while sunlit terraces and shaded lounges invite leisurely afternoons beneath the Caribbean sky. Every amenity has been conceived for indulgence: a private spa, fitness pavilion, pickleball and basketball courts, and even an in-villa salon redefine the standards of private-estate living. As evening falls, the oceanfront firepit and sunset deck provide a sublime setting for elegant gatherings by the water's edge. A symphony of art, architecture, and ambiance, this Turks and Caicos luxury vacation rental stands as a beacon of contemporary coastal luxury, an icon of island refinement and timeless allure.
