COMO VILLA SAN LUIGI

BARBERINO TAVARNELLE, TUSCANY

COMO Villa San Luigi is an exquisite countryside retreat nestled in the enchanting hills of Tuscany, Barberino Tavarnelle. Surrounded by rolling vineyards, ancient olive groves, and the serene beauty of the Tuscan landscape, this villa offers a tranquil escape into nature's embrace. The design harmoniously blends with its surroundings, allowing the charm of the countryside to flow through the windows, creating a serene and captivating ambiance. The Tuscany luxury vacation rental reflects the quintessential beauty of the region with its stone facades and terracotta roofs, while the interior whispers elegance and sophistication.

Stepping inside, the living room area unfolds as a luxurious haven, adorned with soft, unobtrusive tones on the walls. Oversized theatrical lanterns and whimsical balloon-like lighting fixtures add playful elegance, while white-lacquered chandeliers cast a gentle, opulent glow. The design strategy focuses on simplicity and natural elements, ensuring the interior enhances rather than overshadows the stunning countryside views that greet you at every turn. The kitchen is a chef's dream, featuring top-of-the-line appliances and ample space for culinary creativity. This Tuscany luxury vacation rental boasts five elegantly appointed bedrooms, each offering a peaceful retreat with luxurious furnishings and breathtaking views.

The exterior of Villa San Luigi is equally captivating, featuring a private 52-foot infinity pool that seems to merge seamlessly with the horizon. An outdoor pergola and dining area, complete with a pizza oven and barbeque pit, invite you to savor long al fresco dinners, embracing the dolce vita lifestyle. The lush gardens, dotted with fragrant blooms and shaded by ancient trees, provide an idyllic setting for relaxation and contemplation. Villa San Luigi is a true sanctuary where every detail is meticulously crafted to offer an unmatched experience of luxury and tranquility in the heart of Tuscany.
