VILLA GAUGGIOLE

MONTALCINO, TUSCANY

Villa Gauggiole is an enchanting traditional Tuscan farmhouse on the grounds of the Rosewood Castiglion del Bosco estate. Embraced by vineyards, hiking trails, and even a private golf course just minutes away, this home offers the utmost immersion into the magic of the Val d'Orcia. Prestigiously poised, this vacation rental is four miles from some of Italy's most outstanding gastronomic experiences, two miles to Il Borgo, and seven miles from Montalcino.

High culture elegance and country home romanticism combine beautifully across all 6,245 sq. ft of prime living space. The entire estate is outfitted with warm, neutral tones, with a keen eye for charming details from plaid upholstery to the riveted burgundy leather console tables. Oversized arched French doors invite the fragrant pastoral breeze into the sophisticated room outfitted with rustic natural wood exposed beam ceilings. Gorgeous vaulted ceilings and spectacularly warm earth palettes emanate an ethereal old-world patina to the home, grounding the space in Tuscany's illustrious past. An exemplary provincial kitchen manifests the Italian spirit, embracing rustic, bohemian accents along with top-of-the-line appliances. Whether in the eat-in Cucina, formal dining room, or alfresco arrangements, Gauggiole curates the ultimate setting for rediscovering classic Italian dishes. Multiple fireplaces grace the free-flowing floorplan offering no shortage of rural coziness in each corner of this aesthetically immaculate vacation rental. Villa Gauggiole boasts four sumptuous ensuite bedrooms, configured with three in the primary residence and one in the autonomous guest house.

Endless countryside views envelop the expansive estate. Perfectly manicured verdant lawns extend to a gorgeous pool deck embedded in a sprawling meadow. Gauggiole affirms a feeling of boundless space and total serenity, with the entirety of the Val d'Orcia splayed before guests. The grounds include a pool house and shaded seating arrangements offering no shortage of vantage points for soaking in the pastoral majesty or replenishing sun rays.
