VILLA LA TAVERNACCIA

CHIANTI, TUSCANY

Villa La Tavernaccia is an exquisitely restored estate built in the 18th century, surrounded by a private garden and an evergreen forest right in the prestigious Chianti countryside. This luxury Tuscan vacation rental embodies the essence of heritage and refinement, offering breathtaking vineyard views and serene tranquility in one of Italy's most celebrated wine regions. Crafted from centuries-old stone and set amidst terraced landscapes, the villa seamlessly blends historical charm with modern elegance, making it an exceptional destination in Chianti.

All interiors have been completely reimagined by renowned Italian designer Ilaria Miani, blending chic historical character with a lively play of color, light, and space. Furniture and accents are sourced from the family's private collection of antiquities, featuring Tuscan inlaid tables and Venetian armchairs from the 1700s, all paired with contemporary pieces and modern amenities. Two grand living rooms are filled with neoclassical antiques and enlivened by Miani's flair for creating vibrant yet intimate spaces, with one room featuring a traditional Tuscan fireplace for cozy evenings. The expansive kitchen features marble-topped tables, a 19th-century cupboard, and state-of-the-art appliances, making it an ideal setting for private dining or chef-led cooking classes. Seven bedrooms spread across two floors, including five doubles and two twin rooms, each ensuite, luminous, and colorful, with the most private eight suite occupying the villa's tower for a secluded retreat, while the master bedroom on the ground floor has an en-suite bathroom for people with disabilities.

The luxury rental's exteriors unfold as a true Tuscan paradise, designed for both leisure and refinement. A heated private pool is set against a backdrop of rolling hills, while a vegetable garden provides the freshest produce for authentic meals. Recreational pursuits include a tennis court with lights, a soccer court, as well as a traditional British bowls court. For evenings under the stars, an open-air theater offers unforgettable entertainment within the villa's enchanting grounds.
