VILLA MARGARETA

FLORENCE, TUSCANY

Villa Margareta is a glorious 15th-century manor and the epitome of Renaissance-era splendor and Italian country home romanticism. Commanding an iconic Tuscan Paysage, this splendid estate belongs to a property of vineyards and olive groves. Ideally perched in proximity to the region's famed landmarks from Duomo Square and Santa Maria del Fiore Cathedral, this Chianti Classico luxury rental delivers an enchanting pastoral experience.

Brimming with historical intrigue, the palatial 16,200 sq. ft residence belongs to the famed Machiavelli dynasty, later succeeded by the Mazzei nobility. This exquisite Renaissance estate and its original frescoes have been restored to their former magnificence, merging gracefully with bespoke contemporary additions. Plush, homey, yet refined, the interiors brim with classic Italianate splendor. Gorgeous plaster-finished walls, crystal chandeliers, and fine contemporary artworks and prints present a stunning dialectic between the old world and the new. The ground floor comprises a luxuriant main piano salon and formal dining area, navigating to a positively regal fully-furnished terrace. Descend the scintillating in-home elevator to the manor's state-of-the-art wellness facilities, including a sauna, indoor pool, and massage room. This gorgeous trophy residence boasts ten sumptuous individually designed bedrooms to accommodate up to twenty discerning guests in utmost comfort, discretion, and luxury. Each suite presents an impenetrable oasis of relaxation, prioritizing guest autonomy and lodging versatility.

A sea of undulating olive groves and vineyards unravel before guests from the Villa's authoritative hilltop perch. Beautiful frescoed terraces offer a majestic nocturnal complete with lounges, tables, and one-of-a-kind furnishings. An intimate swimming pool is embraced by towering trees, with ample shade offering the ultimate respite from the midday heat.
