VILLA SANT ANNA

MONTALCINO, TUSCANY

Villa Sant Anna is a gorgeous traditional property located on the lush grounds of the Rosewood Castiglion del Bosco estate. This lovingly restored stone country manor dazzles amongst its majestic natural settings. Wondrous panoramas peer into the purest distillation of Tuscany's Val d'Orcia region, spanning rolling hills, endless vineyards, and world-renowned golf links.

Within Villa Sant Anna's rustic stone walls are timeless hallmarks of Tuscan country design, from beamed ceilings and terracotta floors to the spellbinding original fireplace of the living room. Old-world aristocratic elegance and plush contemporary furnishings merge harmoniously in the thoroughly dynamic and light-filled common spaces. Custard-toned walls and a palette of rich earth tones find expression through a wealth of timeless furnishings and textiles, curating an ambiance of eternal prestige and familiarity. Rounded French doors frame wondrous hill panoramas, ample light animating the interiors with an ethereal sun-kissed patina. Chiaroscuro painting adorns gorgeous internal stone arches grounding the vacation rental in proud renaissance heritage. Large French doors flood the dining room with light, while plaid upholstery doubles on country home romanticism. A charming provincial kitchen sets a picture-perfect environment for rediscovering classic Italian dishes, burgundy cabinetry, and tile backsplashes evoking the indulgent hues of local Chianti or Montalcino varieties. Villa Sant Anna offers four sumptuous en-suite bedrooms, accommodating 8 guests in utmost comfort, discretion, and style.

Romantic outdoor dining deck areas are splayed before outstanding panoramas of the Val D'Orcia, leaving nothing to be desired. Perfect the art of Italian country living with plenty of spots to enjoy a fine Chianti with loved ones. The spacious lot includes a heated pool and an autonomous pool house with a living room and kitchenette. A private tennis court adds to this Tuscan vacation rental's extensive recreation options.
