VILLA LA FORET

VAIL CENTER, VAIL

Villa La Foret is a striking mountain-modern residence set among aspen groves on Forest Road, one of Vail’s most coveted addresses. A short stroll from Vail Village and the lifts of Vail Mountain, this luxury vacation rental places world-class skiing, après-ski and boutique shopping close at hand. Stone columns and expansive glass frame sweeping views of the snow-dusted Rockies, creating a refined alpine retreat for winter and summer alike.

Interiors present a sophisticated fusion of contemporary chic refinement and alpine warmth, pairing rich walnut millwork with crisp white walls and floor-to-ceiling windows. The living room gathers around a sleek linear fireplace, with black leather sofas and blush accents set against aspen-filled views. The walnut chef’s kitchen features a waterfall-edge island lined with coral leather bar stools. Nearby, a long white dining table beneath a sculptural branch chandelier sets the scene for convivial après-ski dinners. Spanning 3,980 sq.ft., the residence offers four bedrooms accommodating eight guests in comfort and style. A custom walnut bunk room with built-in lighting delights younger guests, while bathrooms showcase backlit mirrors, stone vessel sinks and frameless glass showers. A family room with a plush white sectional, a private elevator, smart home technology and a sound system complete the roster of amenities.

Villa La Foret’s exteriors match the pedigree of its interiors, with terraces poised among towering pines and aspens. A covered deck hosts a bubbling hot tub and a ping-pong table, while a fire pit lounge with striped cushions invites cocktails beneath the alpine sky. Complete with a private garage for ski-season convenience, this Vail luxury vacation rental is a refined base for days on the slopes and evenings by the fire.
