VAL THORENS, VAL THORENS

La Datcha Val Thorens is an extraordinary ski complex pushing the boundaries of high-altitude luxury living. Perched in the very epicenter of this prestigious ski resort, at the corner of Grand Rue and Rue de Gebroulaz, this Val Thorens luxury vacation rental fuses ski access with town amenities. La Datcha Val Thorens presents the pinnacle of French Alps opulence figuratively and literally, with this property occupying the highest point of Val Thorens.

Ski Chalet romanticism and contemporary elegance merge in the stately and exceptionally prestigious interiors. Past and present fuse harmoniously, with gorgeous early-century pieces inflecting a European aristocratic grace merging with plush post-modern furnishings. Gorgeous timber paneling embraced the spacious estate, exhibiting artfully exposed beams and coffered ceiling details in many of the home's refined bedrooms and common areas. Offering nearly 13,000 sq. ft of prime living space, this property is comprised of five separate suites, each allotted two to three sumptuous bedrooms. With each bedroom diverse in size and configuration, this Val Thorens luxury vacation rental assures endless lodging versatility and the utmost comfort and discretion for up to fifteen guests. Each of the private chambers boasts terrace access and glorious alpine views. In addition, the chalet features an activity room for children, an amusement arcade with foosball and sim racing equipment, two cinemas, and a gym.

Guests may revel in the region's most awe-inspiring views with the coveted south-facing terrace commanding panorama over Glacier de Peclet and Cime de Caron mountain. Guests may take advantage of the home's world-class pool, whirlpool tub, and sauna facilities. With total natural immersion at the heart of all the action, this chalet is truly unique.
