# CHALET DELORMES

CENTER, VERBIER

Chalet Delormes is a gorgeous traditional Alpine lodge lauded for its prime positioning. Belonging to the exclusive Le Hameau development, this all-season stunner is surrounded by fragrant woodlands and beautiful hiking trails. Distanced a mere hundred yards from the famed Le Rouge slopes, this lavish vacation rental finds itself at the center of mountain exhilaration, fine dining, and high-end retail. Ideal for reconnection with the elements or those seeking to conquer them, this luxury Chalet is an oasis of rejuvenation or recreation.

Interiors present a glorious combination of ski lodge romanticism and contemporary European refinement. Gorgeous timber cabinetry reveals a galaxy of fine timber grains, with fur throws and native stone accents supplanting a delectable mountain lodge rusticism. The estate's rustic elements are wrangled in balance with an ambiance of postmodern refinement. Pristine whitewashed walls are animated by ample light wood accents, buxom reclaimed woods enhancing the majestic stature of the vaulted ceiling great room. Serene and light-filled, svelte sliding glass doors and clerestory windows douse the interiors in splendid alpine views. Natural light animates a diversity of decadent deep-seated sofas and armchairs by the traditional fireplace brimming with snowed-in coziness. Seven sumptuous ensembles accommodate up to 15 guests in utmost luxury style and discretion, with this deluxe luxury Chalet offering plenty of facilities for large group entertaining. Top-notch amenities include a media and billiard room and in-home wellness center entailing a sauna, indoor jacuzzi, and rain shower, immersing guests in a world of apres-ski bodily bliss.

Chalet Delormes' well-equipped ski room awaits mountain peak adventure. With exceptional wrap-around and private balconies, guests are never too far from complete immersion in majestic natural surroundings. Whether guests are savoring a morning coffee or saluting the mid-day winter sunset with a fine glass of red, the crisp mountain air and exhilarating views never tire.
