CENTER, VERBIER

Chalet Granval is an exquisite alpine sanctuary that commands one of Verbier's most coveted positions, uniting a central village address. Snow-capped summits frame the residence in every direction, while the gourmet tables, designer boutiques and storied apres-ski of Place Centrale lie moments away. Discreet yet supremely connected, Chalet Granval offers headfirst immersion into the glamor of Swiss alpine living.

Interiors present a refined dialogue between alpine heritage and Scandinavian restraint, where sun-warmed larch, soaring vaulted beams and crimson accents curate an ambiance of understated opulence. In the great room, sumptuous red sofas and plush throws gather beneath vintage cable car artworks, a playful nod to Verbier's storied ski culture. A handcrafted timber dining table sets the stage for candlelit apres-ski soirees, served from a sleek kitchen of pale oak and lacquered black. The chalet offers five bedrooms accommodating ten guests in utmost comfort and discretion, each a cocoon of timber-clad walls and luxurious fur throws. Bathrooms glimmer with smoky mosaic tile and sculpted wood vanities. Below, a private spa lounge unveils an indoor pool, a softly lit sauna and reclining loungers, an indulgent ritual after a day on the pistes.

Chalet Granval's terrace offers a front-row seat to the majesty of the Alps, its rustic timber balustrades framing snow-laden rooftops and the jagged peaks beyond. Mornings begin with espresso in the crisp mountain sun before skis are clicked on steps from the door, while evenings bring champagne beneath the blush of alpenglow.
