CENTER, VERBIER

Chalet No. 14 is an exquisite lodge perfected in the art of Swiss Alpine luxury living. With sweeping views over the valley and towering snow-capped peaks, this luxury vacation rental captures the essence of Swiss luxury. Guests are ideally positioned near the slopes and a short stroll from Verbier's premier dining, boutiques, and apres-ski experiences.

Spectacular interiors present a blend of Alpine tradition and cosmopolitan high culture. A dramatic great room, surrounded by floor-to-ceiling windows, invites the outdoors in. Rich wood paneling, arranged in bold geometric forms, adds warmth and depth, while a sleek fireplace anchors the space with a soft, ambient glow. The atmosphere is further enhanced by sculptural furniture and artisanal decor that bring a sense of balance and refinement. The kitchen embodies understated sophistication, featuring a polished stone island that doubles as a breakfast bar. Monochrome stools offer a striking contrast against the organic grain of the cabinetry, creating a space that's both functional and artfully styled. Chalet No. 14 features 13 luxurious ensuite bedrooms, each designed with supreme comfort in mind. Exceptional amenities include a media room and bar, while robust wellness facilities offer headfirst immersion into bodily bliss. A hammam, sauna, and indoor swimming pool with an attractive snow feature round off a rejuvenating retreat.

Communal wrap-around terraces and private balconies ensure guests are never too far away from the invigorating mountain air and spellbinding vistas. Glorious alfresco features include an alluring hot tub and sun loungers for soaking in the sights and the winter sun. Shoulder to shoulder with Verbier's most exemplary estates, Chalet No. 14 is a luxury vacation rental in Switzerland that dazzles the most discerning clientele.
