CHALET PEREGRINE

LES ESSERTS, VERBIER

Chalet Peregrine is an extraordinary alpine sanctuary commanding an enviable, elevated position on Verbier's prestigious Savoleyres mountainside. Set high above the resort, this exceptional private residence is a striking expression of contemporary alpine design, seamlessly integrated into its dramatic surroundings. Its privileged location affords sweeping, uninterrupted views across the majestic mountain range beyond, creating an atmosphere of rare serenity and exclusivity. Designed for effortless living, the chalet is serviced by an internal lift connecting all floors and features three underground parking spaces.

The first floor is dedicated to an expansive open-plan living and dining space, conceived for both refined entertaining and relaxed family gatherings. A generous arrangement of plush sofas and armchairs surrounds the impressive wood-burning fireplace, forming a warm and inviting focal point. By day, natural light pours in through floor-to-ceiling French windows, while evenings are enhanced by carefully curated lighting and soft candlelight, setting an elegant, intimate mood. At the heart of the space sits a vast oak dining table, positioned between the sitting area and the private kitchen, comfortably accommodating up to 24 guests. Chalet Peregrine welcomes up to 14 guests across seven beautifully appointed bedrooms, complemented by an additional single staff bedroom with shower facilities, offering flexibility when required.

Entry to the chalet is via the indoor garage, leading directly into a sleek, well-equipped ski room and refined entrance hall with ample storage for equipment and outerwear. Ascending within the chalet, the ground floor reveals the home's most indulgent feature: a spectacular 25-metre indoor saltwater swimming pool and dedicated wellness area. Framed by floor-to-ceiling windows that open onto a spacious terrace, the pool enjoys breathtaking panoramic mountain views. This tranquil retreat is further enhanced by a hammam, sauna, and invigorating ice-cold plunge pool, providing the ultimate après-ski recovery experience. A private massage room adjacent to the spa allows guests to enjoy bespoke in-chalet treatments, completing this exceptional alpine haven.
