Prestigiously poised a stone's throw from Place Centrale, in the world-famous resort of Verbier, this property is a veritable behemoth of recreation and convenience. Enchanting mountain vistas wrap around this traditional-styled property delineating a stunning oasis for reconnection with the elements, ski slope exhilaration, or high society mingling.

Glorious interiors present a potent fusion of Swiss Alpine romanticism and High culture prestige. Floor-to-ceiling glass walls embrace a timelessly elegant living room grounded by two crescent-shaped sofas by the soothing crackling of a fireplace. Stone accent walls and soaring vaulted beams delineate airy and romantic dining and lounge spaces warmed by wood-burning fireplaces. The grand dining table comfortably seats twelve guests, creating a wonderful setting for celebratory dinners and shared moments after a day in the mountains. Streamlined cabinetry, elite appliances, and a gorgeous stone backsplash delineate a fantastic workspace for the culinary professional.
