CHALET SPA VERBIER

CENTER, VERBIER

Chalet Spa Verbier is a captivating mountain oasis belonging to serene natural surroundings on the periphery of Verbier. Defined by astounding Alpine views and unmatched natural beauty, this haven of rejuvenation and relaxation remains a short distance away from the resort's fine dining and high-end boutiques.

Interiors present a dazzling combination of mountain lodge romanticism, Swiss authenticity, and ultra-chic contemporary elegance. A gorgeous great room dazzles with warm-toned roughhewn timber, exposed beams, and vaulted ceilings, creating a distinctly alpine ambiance. Bespoke furnishings are plush chic and contemporary with a buxom low profile leather sectional garnished with glamorous furry throws. All five bedrooms have been luxuriously appointed and optimized for the most restful sleep. Beds feature handmade bases and mattresses, deluxe satin sheets and fabrics, cashmere throws. Discerning guests may select between Swiss-made pure down or Swiss quality synthetic duvets and pillows. This home provides many unique features, including a luxurious home theatre, a suspended fireplace coated in magic mirror glass, and designer mood lighting throughout the chalet and terraces. The whole chalet benefits from an integrated humidification system designed to create restful air quality without the dryness generally associated with altitude.

The Spa area has been custom designed and luxuriously fitted to an extremely high standard. A retractable oak-clad terrace reveals a stunning outdoor seven-person Jacuzzi carefully positioned under the extensive third-floor deck. Guests are treated to unimpeded 180-degree views stretching from the Verbier bowl to the Village and across the alps towards the Grand-Combin range. The infinity pool is heated and benefits from state-of-the-art fiber-optic mood and underwater lighting. An integrated champagne rounds off this lavish haven of relaxation with epicurean zeal.
