CHALET VALLON DARBI

SONALON, VERBIER

Chalet Vallon Darbi is a characterful mountain retreat set in the quiet Sonalon neighborhood above Verbier, lauded for extraordinary vistas over the Val de Bagnes and the snow-capped peaks beyond. Built into the hillside in traditional stone and timber, the chalet offers peaceful seclusion within a short drive of the village's chic restaurants and the lifts of Les 4 Vallées. Ideal for reconnection with the elements or those seeking to conquer them, this luxury Chalet is an oasis of rejuvenation and recreation.

Interiors present a soulful combination of ski lodge romanticism and moody contemporary refinement, pairing weathered timber and raw stone with deep, earthy tones. The living room unfolds beneath a vaulted, beamed ceiling, where bouclé armchairs gather around a stone fireplace, with picture windows framing the peaks. A dining table beneath woven pendants faces a panoramic window, while the sleek kitchen is clad in dark slate and features a professional range. Four bedrooms accommodate eight guests in utmost comfort and discretion, with some opening onto private balconies. Just outside the master bedroom, a quiet study with an indoor bike offers a peaceful corner for work or a morning ride. Bathrooms showcase slate tile and sculptural vessel sinks. A leather-clad snug, a media room and a bar with wine storage set the scene for cozy evenings. A hot tub, sauna, a private elevator and a ski room complete the roster of amenities.

Chalet Vallon Darbi's terraces command awe-inspiring views across the valley to the glaciers. A wooden hot tub on the deck invites soaks beneath the stars, while sun loungers and rustic timber balconies offer front-row seats to the alpenglow. With a private garage and ski room for effortless winter outings, this Verbier luxury vacation rental is a sanctuary for every season.
