CENTER, VERBIER

The Calima Estate is a beautiful Alpine retreat redefining the luxury mountain getaway. Serene and secluded yet moments away from the cosmopolitan amenities of the resort village, this glorious property embodies the pinnacle of high-altitude fine living. Poised at the dreamy heights of Verbier, Calima's twin properties command unparalleled views.

Spectacular interiors present the ultimate fusion of Alpine tradition and European high culture refinement. Soaring timber beams sculpt a dazzling vaulted ceiling great room, its roughhewn beams complimenting the crisp precision of radiant white walls. Oversized windows and clerestory accents douse the exceptionally airy and lustrous great room in ample light, animating a diversity of decadent velour and supple leather upholstery. Seamless navigation is offered between the free-flowing lounge and the vertiginous views of the private balconies. Calima's twin Chalets are crisp, timelessly classy, and fantastically understated, presenting harmony between snowed-in romanticism and cosmopolitan elegance. Eight deluxe ensuite bedrooms are configured between the two properties, conjoined by an internal walkway. Each uniquely designed suite flaunts a unique gradient of Alpine luxury, specially curated for a calm and tranquil atmosphere. Sixteen guests are accommodated in total comfort, discretion, and luxury. One residence claims a twenty-seat dining table, allowing guests to feast together, while the other claims a state-of-the-art media room.

The Calima Estate comes to its fullest expression with its dazzling wellness facilities claiming two of Verbier's finest private spas. Unbridled bodily bliss awaits between two indoor mountain-view swimming pools, one of which extends seamlessly into the outdoor pool area, hot tubs, a hammam, and a sauna. A spectacular south-facing terrace peers into the purest expression of Swiss Alpine beauty, best enjoyed from the therapeutic waters of the outdoor hot tub.
