CHALET AKASHA

BRIO, WHISTLER

Chalet Akasha is a spellbinding estate belonging to Whistler's coveted Sunridge plateau. Natural splendor and pristine wilderness embrace this exclusive high-altitude neighborhood, a mere five-minute walk from the resort village center. Larger-than-life panoramas place the savage beauty of the Canadian Rockies on fullest display.

Majestic interiors present a stunning fusion of ski lodge romanticism and Pacific Northwest authenticity. Glorious Red Cedar pillars sculpt and contour an open concept space of monumental proportions. A network of exposed beams soar above a double-story great room, a spiral staircase, and railed mezzanine enhancing a delectable sense of verticality. Common areas are as grandiose as they are earthy and naturalistic, placing the spotlight on British Columbia's robust natural materials. Plush textiles, old-fashioned console elements, and Navajo patterned rugs infuse a Western Frontier romanticism into a stunning living room perfected in the art of snowed-in coziness. A two-story basalt accent wall embraces the fireplace, delineating an unmatched venue for apres ski congregation with loved ones. Colossal West Coast beams and provincial-style cabinetry delineate a stunning chef's kitchen outfitted with a crescent-shaped breakfast bar. Chalet Akasha flaunts a wealth of top-notch amenities not limited to a media room, office, wine cellar, and degustation area, sure to dazzle the oenophile. Stunning Haida-styled totem poles embrace a glorious indoor swimming pool with cascading water features. Four fantastic ensuite bedrooms accommodate 11 guests in total comfort, flaunting versatile lodging options that will appeal to traveling families or multi-generational parties.

A wealth of private balcony spaces ensures guests are never too far from the invigorating mountain air and inexhaustible alpine vistas. A gorgeous alfresco terrace sets an unmatched backdrop to lavish gastronomic affairs. Indulge in blissful apres ski rituals embracing the serenity of snowy evenings from the therapeutic waters of the outdoor hot tub. Chalet Akasha is an astounding luxury property that leaves no guest impervious to her charms.
