VILLA HERMIONE

HERITAGE PEAKS, WHISTLER

Villa Hermione is a remarkable alpine retreat perched in the highly coveted neighborhood of Kadenwood. Lauded for its exceptional location, this luxury Chalet offers otherworldly serenity and seclusion, complete with revered ski-in/ski-out access. Residents may revel in the comforts of groomed private ski trails and exclusive gondola access. Brimming with the glamor of Whistler mountains' most luxurious homesites, Hermione epitomizes the pinnacle of Rocky Mountain luxury living.

A striking architectural facade gives way to wondrous interiors, presenting a potent fusion of chic industrial elegance and alpine lodge romanticism. Sleek vertices and dimensions sculpt expansive and dynamic spaces with majestic double-height sloped ceilings meeting ribbons of clerestory accents and immersive floor-to-ceiling glass. A thoroughly modern open-concept layout features urban-chic slate accent walls and metallic tints, offering a lovely contrast against inviting timber hues. Sophisticated, sleek, and scintillating, an intuitively laid-out great room is exceptionally suited for impromptu get-togethers or cocktail soirees. A wall of wine pivots between a lovely formal dining area and a cosmopolitan living area, complete with low-profile designer furnishings and an ultra-modern fireplace. Six sumptuous ensuite bedrooms are at guests' disposal across 6,200 square feet of elite living space. The focal master suite flaunts a marble-encased, spa-inspired bath and private patio access beckoning invigorating morning rituals. Additional amenities include a wet bar, fitness room, and hammam-style steam room covering the bases, from recreation to relaxation. An additional den with a murphy bed is available for two more guests.

This stunning home offers plenty to entertain large groups after an outing on the slopes, with a large outdoor jacuzzi, multiple fire pits, and a gas fireplace. Modern outdoor furniture and a heated dining area with BBQ curate incredible gastronomic experiences wafted by the crisp mountain air and the unmistakable fragrance of old-growth forests. Unmatched mountain vistas emanate from all three terraces offering no shortage of fantastic vantage points to soak up the sights.
