YACHT ANNAMIA 141

MOTOR 100-150FT, YACHTS

Luxury motor yacht ANNAMIA is a 43 m / 141 ft yacht built by Baglietto in 2007. Recognizable by her pure and distinguished lines, she was awarded as the most beautiful yacht of Genoa Yacht Show in 2007, the year of her launch. Her interiors were designed by Francesco Paszkowski. With her 85,000 liters fuel tanks she has a maximum range of 4,000 nautical miles at 12 knots. Her water tanks store around 25,000 litres of fresh water.

She was refitted in 2018 and offers accommodation in five beautiful cabins for up to 12 guests in total. The ANNAMIA motor yacht has a beautifully fitted interior. Her main salon offers a living-dining area on the main deck and provides a feeling of rare spaciousness and depth with the harmonious, modern and smart decor. The combination of wenge and beige leather creates a comfortable atmosphere and the lighting provided by Leds creates various colours to suit the occasion. Her Master cabin, located on the main deck forward, includes a private access, an office, a dressing and a bathroom with spa pool and hammam. Wide windows on both sides of the yacht offer a unique view.

The sundeck above is a great spot for sun lovers with sunbeds, a large spa pool, a dining table for 8 guests, a bench and a bar. The panoramic view from the sundeck is incredible as it is not obstructed by the superstructure. A large sunshade and a wide white awning can be unfolded to protect from the heat of the midday sun if required. She also comes with tender and toys such as 1 tender Novurania 17ft 190 hp, 2 jet skis, diving gear, snorkling gear, wake board, fishing gear and 6 VTT bikes.
