Yacht Arion is a stunning vessel launched in April 2011 and was built by Couach. Her interior was designed by the star designer Ken Freivokh who created a chic soft interior with cherry and wenge woods, highlighted by suede and white lacquered panels.

ARION offers a warm atmosphere and is extremely functionally designed in a special high comfort version around, 1 large Master cabin, 2 large VIP cabins, completed by 1 twin guest cabin. These 4 cabins can accommodate up to nine guests. ARION is a real cruiser with long range capability and a high-performance hull which can comfortably cruise at 25kts even in rough seas. Stabilized with the latest generation of Gyroscopic Stabilizers by Sea Keeper, the Yacht is extremely stable and comfortable at anchor and at cruise. Her crew of 6 people will be dedicated to you the whole time to make your stay onboard unforgettable.

With a cruising speed of 22 knots, a maximum speed of 26 knots and a range of 1,000nm from her 17,500litre fuel tanks, she is the perfect combination of performance and luxury.
