YACHT ASLEC 4 157

MOTOR 150-200FT, YACHTS

Yacht Aslec 4 158 is a wonderful 45 meter vessel launched by Italian Rossi Navi in 2012. This gorgeous yacht emphasizes today's priorities of the yachting industry: environmental respect, being economical and efficient without being unnecessarily bulky. She is truly smooth and voluminous, that is one of her main assets. This sense of space instantly becomes apparent upon boarding, where an impressively sized, 70sq meter aft deck welcomes guests aboard.

Inside, a light and fresh interior, designed by RÃ©mi Tessier Design. Aslec 4 accommodates 12 guests in 5 luxury suites, with the master suite, 2 double suites and two twins, the latter each with an extra pullman. In addition to the principle essences, many additional details were conceived with carbon fiber, precious black chrome and gold foil that adorn a large portion of the ceilings and the walls. A perfect synthesis between refined luxury and contemporary allure. Considerable attention was also given to on-board entertainment, with an extremely easy to use audio-video system with global control. The Kaleidoscope System for on-demand entertainment, Lutron for managing the domotics and the Apple system with integrated AirPlay for complete audio control.

Upstairs, the sun deck perfectly completes Aslec 4's range of luxury amenities, true to form with a large deck space with a large Jacuzzi as the main ingredient. She is likewise equipped with tenders and toys namely Tender 6 Meter Wiliams for 9 person, Jet ski, 2 seabob, Water Ski equipment, Snorkeling equipment, 3 Rigid Kayak and 1 Inflatable Kayak for 2 person.
