YACHT AUBREY 94

MOTOR 60-100FT, YACHTS

Yacht Aubrey 94 is a 28.7 m / 94 feet luxury motor yacht. She was built by Maiora in 2012 and last refitted in 2017.

The motor yacht can accommodate 10 guests in 4 cabins. The lower deck layout contains the engine room and the guest accommodation consists of one Master suite, one double cabin and two twin cabins, all with en-suite facilities. She offers such amenities as air conditioning and WiFi connection on board. You will also have a well equipped kitchen, cozy dining and living area.

The flybridge above contains a bar behind the helm station and there is a square alfresco dining table amidships. To the aft, there are sunpads that can be raised and additional sun loungers provide guests with an area to soak in the sunshine while taking advantage of the elevated position for sweeping views. There is a large swim platform for sunbathing beside the water, and steps lead up to the main deck aft where guests can take an alfresco meal on the stern sofa.
