YACHT CD TWO 141

MOTOR 100-150FT, YACHTS

Built by Cantieri Navali Nicolini in 1995, Yacht CD Two is a 43m (141') motor yacht that has had extensive refits during the winters of 2007, 2008 and 2009, bringing her to a new level of luxury and comfort. She is a brilliant combination of attractive furnishings and great performance.

She can offer great flexibility when it comes to sleeping arrangements. Her accommodation comes in the form of seven generous staterooms for up to 12 charter guests, delivering only the most luxurious comfort when travelling on board. The full width master suite is situated on the main deck and has an adjoining twin cabin, making it ideal for a couple with a young child. The four remaining staterooms are located below deck and include two doubles and two twins, providing the perfect layout for a large family or for a corporate charter.

Her decks are as spacious as her interior with plentiful relaxation, dining and lounging areas. The sun deck is especially popular and is a wonderful place to sunbathe and relax.
