## YACHT DOLCE MIA 76

MOTOR 60-100FT, YACHTS

Yacht Dolce Mia 76 was custom built in 2007 by Riva. Her sleek dark hull and white superstructure was designed by Officina Italiana Design. She has a cruising speed of 23 knots and a top speed of 29 knots thanks to two MTU 1524 HP engines. Onboard, the experience stays smooth and comfortable despite choppy waters thanks to her underway stabilizers.

Dolce Mia's interiors are edgy, modern, and spacious. The open-plan salon and dining areas are appointed with eye-catching black and white decor that combine for a clean, finely-tailored look. The lounge comes with a sofa, chairs, a coffee table, a large flat screen TV, and a sound system for comfort and entertainment. Ahead of the lounge is the formal dining area, raised to allow for the best views. Her layout sleeps up to 8 guests in 4 cabins that include a master suite, 1 VIP stateroom, and 2 twin cabins. She has 3 crew on board to help ensure a relaxing luxury yacht experience as well as WiFi Internet access and air conditioning. The aft deck offers shaded alfresco dining and seating and an extended swim platform. The foredeck has a double sunpad with a fold-away Bimini cover. The flybridge above the main deck offers another alfresco dining option with seating and a collapsible Bimini cover.

Tenders and toys onboard Dolce Mia include a 12.63 foot Williams Tender with 100 HP engine, donuts, water skis, and snorkeling gear. Yacht Dolce Mia 76 is a timeless beauty on the water, perfect for romantic getaways.
