YACHT GRIFFIN 136

MOTOR 100-150FT, YACHTS

Yacht Griffin 136 is a luxury performance yacht built by Palmer Johnson in 2012. She has a top speed of 27 knots and a cruising speed of 23 knots, but her at-rest stabilizers and sound-proofed interior ensure her charter guests can enjoy a smooth experience, whether in rough seas or at anchor.

Griffin has a striking interior with merlot accents, and black mist domes. She can accommodate a crew of 7 and, with 5 cabins, sleeps up to 10 guests. The owner's suite features a grand king size bed, twin en suite bathrooms, and a spacious lounge with dressing area. Also included are 2 double staterooms and 2 twin staterooms, the latter of which come with a Pullman berth each. The exterior spaces are fabulous yet private, with the extra beam width leading to a larger sundeck, an impressive fly bridge, and a jacuzzi.

She comes with water recreation facilities that include a Yamaha VX Cruiser Waverunner, Seabobs, water skis, wake boards, a Sonar inflatable toy for up to 4 people, and gear for snorkelling and beach games. A 16 foot Castoldi Jet Tender with a 123 HP engine is also available for use.

Yacht Griffin has a lot to offer her charter guests and is the perfect vessel for relaxed elegance and superior performance.

INTERIOR

- Air Conditioning
- Cable/Satellite TV
