## YACHT IDEFIX 139

MOTOR 100-150FT, YACHTS

Yacht Idefix 139 was built in 1998 by Oceanco while her interior design and styling was handled by The A Group. She was recently refitted in 2015. She cruises at a top speed of 17 knots and possesses a range of 2,400 nautical miles. She is fitted with Naiad stabilizers that keep movement to a minimum for the comfort of her guests whether underway or at anchor.

She is a magnificent vessel, maintained and operated to extremely high standards. She has an expansive sun deck with jacuzzi, large sunbathing pads and sun loungers. She offers a high volume interior with air conditioning and comfortably accommodates 12 guests in 6 cabins that include a master suite, a VIP cabin, 2 double cabins, and 2 twin cabins. Her master suite has the volume of an equivalent 164 foot yacht. Idefix has a spacious al fresco dining area by the sky lounge and also features a more formal dining area on the main deck. WiFi connectivity is available throughout. She can take on up to 8 crew to ensure a relaxed luxury yacht experience.

Her tenders and water toys include a 18 foot Pascoe Shuttle Tender, an 11.48 foot Tender, 2 Yamaha Waverunners, kayaks, water-skis, and wakeboards. Crammed with innovative features, Yacht Idefix 139 is a beautiful example of Dutch engineering and design.
