YACHT KARAYEL 97

MOTOR 60-100FT, YACHTS

Yacht Karayel 97 was launched in 2001 by the Spanish shipyard Astondoa and underwent a refit in 2006 and 2016. Powered by 3 x 1300hp engines, she cruises at 20 knots and has top speeds of 25 knots. She is fitted with at anchor stabilizers.

She offers spacious accommodation, for up to 10 charter guests. She has a master stateroom on the lower deck and amidships, with a full beam layout, queen size bed, seating area and walk-in wardrobe. The VIP cabin is forward and full beam of the yacht, with a queen size bed. Two twin cabins each have side by side single beds and a further Pullman berth. All 4 cabins have private en-suite facilities and are finished with an elegant soothing decor. She has a warm and inviting interior decor. The cherry toned high gloss wood panels are complemented by the neutral soft furnishings and bespoke art. Wrap around windows boasts plenty of natural light. The main salon and dining are set in a contemporary open plan. The lounge offers ample seating, coffee table and entertainment systems. Forward, guests may dine in style. A foyer to starboard leads to a day head, further seating area on the bridge deck, and fully equipped professional galley to port. Two levels of exterior living are well-appointed as well. On the aft deck has a shaded alfresco dining option and spacious seating, perfect for formal or casual dining and relaxing. The foredeck features a large sun pad and seating area, great for sunning at anchor or underway. An upper sundeck boasts a further large sun pad, separate seating area and additional alfresco dining option. For optimum comfort, she also has a removable Bimini cover. Karayel has various amenities such as air conditioning, stabilizers at anchor, a wet bar, BBQ facilities, and WiFi connectivity on board.

Water enthusiasts will find the full beam swim platform a treat as it makes for effortless access to the seas and Karayel's various water toys.
