YACHT LAURENTIA 181

MOTOR 150-200FT, YACHTS

Laurentia 181 is a steel motor yacht meticulously crafted by Heesen in 2017, standing as a testament to nautical sophistication. The exterior design, a product of Omega Architects, complements the interior envisioned by Radyca, resulting in a seamless blend of style and functionality. A cruising speed of 13 knots, a maximum speed of 16 knots, and an impressive range of 4,500 nautical miles from the 100,000-liter fuel tanks underline its prowess in performance and luxury.

The interiors are a testament to timeless luxury and refined aesthetics. Imbued with enduring sophistication, the design features sumptuous seating arrangements and exquisite furnishings that seamlessly blend to create an atmosphere of unparalleled elegance. The use of premium materials and meticulous craftsmanship enhances the overall ambiance, ensuring a sense of opulence and comfort. Accommodating up to 12 guests in six rooms, including a master suite, VIP stateroom, two double cabins, two twin cabins, and two Pullman beds, Laurentia 181 ensures a comfortable retreat. The vessel also accommodates a crew of up to 13, guaranteeing a refined and relaxed yachting experience. Additional amenities, such as air conditioning, a beach club, on-deck Jacuzzi, at-anchor stabilizers, stabilizers underway, and onboard WiFi, contribute to an enhanced onboard experience.

Beyond its opulent interiors, Laurentia 181 boasts an array of leisure and entertainment facilities, making it an ideal charter yacht for socializing and entertaining. Tenders and toys include a 68.90ft Castoldi Jet Tender, Trimaran Dinghy, Sea-Doo Waverunners, kayaks, dive compressor, wakeboard, Seabobs, snorkeling equipment, scuba diving gear, water skis, paddleboards, and a floating pool with anti-jellyfish features. Whether exploring the seas or indulging in water sports, Laurentia 181 provides an unparalleled experience, combining luxury and adventure on the open waters.
