YACHT MY DARLINGS 130

MOTOR 100-150FT, YACHTS

Yacht My Darlings 130 is a lavish sport yacht built by the in-demand shipyard Marine Luxor Yachts in 2014 with her remarkable interiors designed by Askdeco. She is constructed of steel with an aluminum superstructure, while the finest teak is fitted onto all three decks. Charter guests can cruise in style at speeds of 12 knots (up to a maximum of 14 knots) and enjoy a smooth experience whether at anchor or underway thanks to her stabilizers.

Her spacious and sophisticated main salon incorporates a formal dining area and features the right mix of elegant textures to make this interior living space a comfy hangout. The clean-lined furnishings, fine brown leather, bespoke art, and clear wooden panels all give an immediate feeling of luxury. The panoramic windows allow for generous amounts of natural light and evoke the open nature of being out at sea. The 6 guest cabins include the superb full-beam master suite, two identical double guest cabins, and two twin guest cabins each with additional Pullman for children. All cabins feature an en suite bathroom and independent audio/visual library. Large outdoor spaces allow guests to quietly relax or share magical moments together. The main aft deck features a large seating and sunning area and cocktail tables. At her bow, there is another large sunbathing area. For more privacy, the top deck level, featuring sizable sun pads and a jacuzzi, is the perfect choice.

Equipped with the latest broadband technology, hi-speed Internet connectivity and satellite TV are at full disposal at any time. The salon and sky lounge also feature top-of-the-line entertainment systems.
