YACHT NASEEM 154

MOTOR 150-200FT, YACHTS

Yacht Naseem 154 is an award-winning classic motor yacht built in 2008 by Heesen and last refitted in 2018. Previously named Raasta her luxurious interior is designed by Bannenberg & Rowell and her exterior styling is by Omega Architects. Cruising comfortably at 16 knots, she also features a state-of-the-art stabilization system for ultra-smooth sailing.

Her interior features an elegant art-deco-inspired decor with a fresh modern twist. Bleached Wenge wood and marble flooring create a contemporary living space while textured accent walls are the ideal backdrop for her fabulous collection of artwork. A spacious yacht with an extremely versatile interior layout, she can accommodate up to 12 guests across her five cabins. She also has onboard accommodation for her dedicated and friendly 10-person crew who will be on hand throughout your voyage. On the main deck, you will find a large full-beam salon which has been beautifully decorated in contrasting shades of gold and cream. A lounge area is grouped around a deco-style coffee table while built-in cabinetry displays porcelain and silver from the private collection of the owner. The open-plan lounge area leads directly into the large formal dining area which can seat up to 10 guests in style. The perfect space for entertaining, large picture windows on each side of the salon offer guests an ever-changing ocean backdrop whilst dining. A polished chrome staircase leads from the main deck to the upper deck which is dominated by her striking sky lounge. The perfect space for socializing, the sky lounge boasts a deco-inspired cocktail bar for pre-dinner drinks plus a comfortable lounge area with a full entertainment system.

Designed for life at sea, she has an exciting choice of leisure and dining spaces with the focus on offering guests a relaxed outdoor lifestyle. On the main deck aft, a vast covered lounge area finished in stylish monochrome overlooks the ocean. Twin staircases lead to the water where the convertible tender garage can be used as a beach club for swimming and sunbathing or as a launchpad when using the water toys. On the upper deck, a semi-covered dining area is set up for al fresco meals while built-in lounge seating is ideal for after-dinner drinks. In the bow, a sheltered lounge area is the perfect spot for unwinding with a book or simply enjoying the view as you cruise towards your next destination. Designed for total relaxation, her sundeck is thoughtfully laid out with a raised spa pool forward surrounded by sunpads for lounging in the sunshine. The sun deck also features a delightful covered dining area plus several sun loungers aft for chilling out with a cocktail. Guests aboard Naseem will love her selection of water toys and tenders including a 7m Pascoe 260hp Yanmar, I x 4.Sm Novaraina rescue boat with 40hp 4 stroke Yamaha outboard, 2 x Yamaha VX I 200 Deluxe wave runners, JOBE Towables, 1 x Wake Board and 1 x Set WaterSkis.
