YACHT OASIS 73

MOTOR 60-100FT, YACHTS

Yacht Oasis 73 was built in 2008 by Sunseeker, who are also responsible for her elegant exterior and interior styling. She has a cruising speed of 22 knots and a top speed of 30 knots.

Oasis' interiors are air conditioned, timelessly styled, and beautifully furnished. Her layout sleeps up to 8 guests in 4 cabins that include a master suite, 1 double cabin, and 2 twin cabins. She has 2 crew on board to help ensure a relaxing luxury yacht experience. They have been in the Sunseeker family for the last year and have now made the move from The Balearics over to the South of France. The experience they bring makes them invaluable in helping you and your guests, make the most out of your time onboard. The exterior of the yacht is set for socializing where large outdoor seating areas and sunpads combine with the expansive fly bridge arrangement, complete with a large dining area and wet bar that is perfect for those long lazy evenings at anchor.

Her impressive collection of water toys include waterskis, wakeboards, paddleboards, and towable toys. She makes a compelling charter option for spending time with friends and family this summer.
