CHALET BACKSTAGE

ZERMATT, ZERMATT

Chalet Backstage is an iconic Alpine retreat perched in the beating heart of Zermatt. Extraordinary panoramic views never cease to dazzle the guest, with the soaring silhouette of Matterhorn towering before enchanting village scenes. This legendary Zermatt luxury retreat is ideally suited for those seeking mountain exhilaration, cosmopolitan indulgence, or reconnection with the elements. Coveted proximity to cable cars, the resort center, the ski lift, and the piste are within a leisurely seven-minute walk.

Stunning interiors showcase a majestic fusion of tradition, comfort, and contemporary flair. Evocative contemporary artworks handpicked from Zermatt's elite art galleries capture an exceptionally cosmopolitan spirit. Warm timber beams, architectural skylights, and glass walls enclose guests in a luxuriant cocoon. An exemplary sensation of levity and permeability defines this spectacular Chalet, with the abundant Alpine sun animating supple leather sectionals and a host of cozy pelts. Sleek metal accents and an urban-infused design direction provide a fantastic nocturnal ambiance for apres-ski cocktails embraced by the sparkle of the village. The piece de resistance is undoubtedly the glass-encased whirlpool opposing the open-concept living area, which is hydraulically raised above the rooftops for one-of-a-kind crow's nest views. This spellbinding Zermatt luxury Chalet comprises five double bedrooms, with versatile lodging options for traveling children. Fantastic amenities include a media room, workstation, ski room, and private elevator.

Spellbinding terraces offer no shortage of vantage points to soak in the glory of the Swiss Alps and the winter sun. With a steaming cup of coffee, welcome the morning sun as its ethereal rays invigorate the sparkling brilliance of newly fallen snow. Blissful apres-ski rituals await aboard the home's hydraulic rooftop hot tub rounding off an unmatched Zermatt luxury vacation Chalet.

ZERMATT

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
