CHALET DENALI

ZERMATT, ZERMATT

Chalet Denali is an exquisite Alpine residence belonging to the famed 7 Heavens development in the heart of Zermatt. This beautiful Chalet is lauded for its prestigious location, moments away from world-class fine dining, nightlife, and high-end retail. Astounding Matterhorn views are paired with the ultimate in Swiss Alps luxury living.

Understated elegance and exceptional attention to detail are the hallmarks of this exquisite new edition. A delectable marriage of contemporary chic refinement and ski lodge romanticism unravels before guests. The focal great room envelops guests in a galaxy of refined wood grains and rough-hewn timber, making up the artfully scaffolded vaulted ceilings. Pristine white walls and gorgeous earthen tones and textures compose a space at once warm and inviting yet chic and refined. An industrial-style fireplace grounds the space, offering plenty of snowed-in nostalgia, while a gorgeous neo-expressionist art piece lends plenty of urbane sophistication. Chalet Denali's open-plan living and dining areas are ideally suited for lavish and spontaneous entertaining. Five lavish ensuite bedrooms accommodate ten in utmost comfort, discretion, and luxury. A bar area, library, and dedicated media room comprise this fantastically autonomous estate. A veritable haven of rejuvenation, this mountain sanctuary presents a world of bodily bliss, replete with an indoor hammam, hot tub, massage room, and spa.

The wrap-around balcony is a true masterpiece, with its intricate and delicate features drawing the eye in every direction. Guests are immediately met with the awe-inspiring beauty of the mountain landscape. Chalet Denali provides the perfect setting to take in the sights and sounds of the surrounding nature and immerse oneself in the serene atmosphere of the Alps.

ZERMATT

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
