CHALET HIGH 7 PENTHOUSE

ZERMATT, ZERMATT

Chalet High 7 Penthouse is an outstanding luxury lodge redefining Swiss Alpine luxury. Perched in the revered area of Winkelmatten, popularly regarded as the Beverly Hills of Zermatt, this property exudes exclusivity and sophistication. Unfettered opulence meets supernatural beauty and white glove services while ensuring an oasis of calm at moments' notice from famed ski slopes and the resort town.

Spectacular interiors set forth the purest distillation of Alpine romanticism and cosmopolitan sophistication. Guests are immersed in a galaxy of roughhewn timber grains throughout, while a stunning great room dazzles with an extraordinary sense of verticality and dimension. Commanding vaulted dimensions are enhanced by buxom timber beams, while svelte echelons of glass impart a delectable airiness and permeability to the Villa's colossal frame. Mesmerizing Matterhorn views are an integral feature of cozy snowed-in moments curled up on the couch or when enjoying a meal. Designer furnishings exude the pinnacle of contemporary sophistication, with exquisite sculptural details from the drop-down fireplace to the whimsical light fixtures impart an avant-garde inflection to the Penthouse. Spanning the second and third floors, this beautiful duplex penthouse accommodates eight guests between four spacious double bedrooms. A wellness area is accessible via the master bedroom, complete with a large relaxation bath and a Bio Sauna.

A veritable paradise for the athlete, residents may take advantage of the vacation Chalet's location, with the dazzling amenities of the resort billage within a four-minute drive from the property. Exceptionally poised terraces leave no shortage of vantage points for soaking up inexhaustible Swiss Alpine vistas. Chalet High 7 Penthouse's balconies have been known to monopolize a fair share of the guest's attention, with few things coming close to the iconic Matterhorn silhouette animated by soft morning or dramatic dusk lighting.

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
