Chalet Les Agnes is an outstanding Alpine residence brimming with all the prestige and glamor of the world's most exclusive mountain destinations. Perfectly poised on the edge of Petit Village, this coveted luxury vacation rental is witness to astounding valley views incorporating the entirety of the town to the iconic Matterhorn and Zermatt peaks.

Ski lodge romanticism and ultra-chic contemporary design meet their purest incarnation in Les Agnes' outstanding interiors. Natural texture and sleek vertices merge with a chic plaster-finished fireplace, matched by deep-seated designer sofas. Rustic rough-hewn timber accents envelop the interiors, while exposed beam vaulted ceilings blend beautifully with urbane beige, grey, and violet palettes. A glossy grand piano delineates an exemplary venue for nocturnal entertaining, the free-flowing multi-level great room interfacing maximally with the outdoors via oversized glass walls and clerestory windows. Seven sumptuous double ensuite bedrooms are spread across two stories affording total autonomy and discretion, while private balconies look unto Alpine vistas. This stunning Swiss luxury Chalet boasts outstanding wellness facilities, including a sauna, steam room, and massage room. A spa lounge revels in the eternal opulence of the Roman bathhouses, clad in white marble and garnished with an imperial fountain and ornamental pool.

An exceptional south-facing terrace presents a picture-perfect alfresco setting with a heated plunge pool with massaging jets and underwater lighting, barbecue, and dining arrangements for 14 guests. Revel in otherworldly quietude enveloped by majestic mountain views beneath an impossibly starry night sky, saluting each passing day with a fine glass of red.

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
