Chalet White Pearl is an exceptional Alpine residence perched in Zermatt's coveted ski-in ski-out district of Winkelmatten. Lauded as the Beverly Hills of Zermatt, this coveted luxury vacation rental is moments away from fantastic fine dining, apres ski locales, high-end boutiques, and children's play areas.

High culture elegance meets contemporary boho panache in dazzling interiors replete with eclectic decor and luxuriant finishes. Eclectic, chic, and brimming with character, a pair of dangling crystal chandeliers blend harmoniously with earthy velour upholstery. A gorgeous free-flowing great room pivots around a central stone brick fireplace, fusing the sumptuous seating arrangements of the living room with the formal dining area. White Pearl's sumptuous ensuites are a veritable highlight offering five individually designed sleeping quarters accommodating up to twelve guests in utmost comfort, style, and discretion. Sloped double-height ceilings and a wood-burning fireplace offer a glorious counterpoint to the playful glamor of the master suite with mirror-clad drawers, embossed wallpaper, bohemian iron wrought lighting, complete with private balcony access and lounge area. This coveted Alpine vacation rental boasts exceptional indoor wellness facilities, including an indoor swimming pool, hammam, sauna, and massage room. Adjacent to the wellness area on the lower ground floor is a cinema room and games area, beckoning friendly competition and amusement off the slopes. A ski and boot room with heated boot racks defines a glorious luxury Chalet ready for spontaneity and exhilarating winter recreation.

The chalet offers breathtaking views from the balcony and outdoor Jacuzzi, where evening entertaining is always accompanied by a fine glass of champagne. Perched at the heart of the action, guests of Chalet White Pearl hit the ground running with direct ski access down to the Matterhorn Express. A generous slope escorts guests back to the blissful comforts of the estate via the Moosweg ski run.

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
